

# Chandan A N

## AWS Cloud Intern

Hi there! I'm a MCA student with a strong foundation in cloud-based systems and a growing interest in product analysis. Experienced in building AWS-based platforms through academic and internship projects. I enjoy solving technical problems, learning new tools, and working in collaborative environments. Currently exploring how technology and user needs come together to build impactful products.

## EDUCATION

### PG-Masters of Computer Application

Atria Institute of Technology

12/2024-Present

### UG-Bachelor of Computer Applications

Government First Grade College KR Puram

08/2021 - 08/2024

Aggregate CGPA-8.97

### PUC-PCME

Vivekananda PU College Rajajinagar

07/2019 - 07/2021

Aggregate Percentage-75%

## PERSONAL PROJECTS

### Mathematical Calculation using AWS

- Developed and deployed a scalable mathematical calculation platform on AWS, integrating various mathematical functions such as power functions, trigonometric functions, and logarithms. Utilized DynamoDB to store and manage function data, ensuring efficient retrieval and processing.
- Tools: AWS Lambda, AWS API Gateway, AWS DynamoDB and AWS Amplify.

### Weather Forecasting using AWS

- Description: Designed and implemented a weather forecasting system on AWS, utilizing services such as AWS Lambda, API Gateway, and DynamoDB. The system collected and processed real-time weather data, storing it in DynamoDB for analysis and forecasting.
- Tools: AWS Lambda, AWS API Gateway, AWS DynamoDB and AWS Amplify

## WORK EXPERIENCE

### AWS Cloud Practitioner Intern

Magic BUS Foundation

02/2024 - 05/2024

Banaswadi Bangalore

Achievements/Tasks

- Projects Using AWS Services from Magic Bus Foundation and Awarded by Magic Bus Foundation on Completion of AWS Project using AWS Services.

## SKILLS

AWS Cloud

Python

Sql

Linux

Git

Excel

## ACCOMPLISHMENT

- Projects Using AWS Services from Magic Bus Foundation and Awarded by Magic Bus Foundation on Completion of AWS Project using AWS Services. (02/2024 - 05/2024)
- Achieved 'B' and 'C' Certificates with 'A' in National Cadets Corps.
- Played Shuttle Badminton for Bangalore North University.

## STRENGTHS

Leadership, Adaptability, Time Management, Decision Making

## CERTIFICATES

AWS Cloud Practitioner (02/2024 - 05/2024)

Graduated from AWS Cloud Practitioner (CLFC02)
